#### HUR

#### ST. JOSEPH'S COLLEGE

Conducted by the Christian Brothers INCORPORATED WITH MANHATTAN COLLEGE, NEW YORK. SCIENTIFIC DEPARTMENT.

In this department the students pursue the study of philosophy and of the English language and literature, as in the classical department. They pay special attention to the higher mathematics and the natural science. Facilities are afforded them for practical work in the laboratory. These who complete this course receive the degree of Bachelor of Science.

### ST. JOSEPH'S COLLEGE

Conducted by the Christian Brothers.

DELAWARE AVENUE AND CHURCH STREET.

Care is taken that every branch prescribed be carefully studied, and that nothing be learned morely by rote with this view, the students discuss the subject uniter of each lesson in class, independently of the feet book. They thus accumulate ideas instead of neare words, digest what they learn, and acquire thoughtfulness, self reliance and facility of expression.

#### ST. JOSEPH'S COLLEGE

Conducted by the Christian Brothers.

DELAWARE AVENUE AND CHURCH STREET.

Care is taken that every branch prescribed be carefully studied, and that mething be learned isserely by rote. With this view, the students discuss the subject-matter of each tesson in class, independently of the text-book. They thus accomplists bless instead of more words, digest what they learn, and acquire thoughtfuness, self-reliance and facility of expression.

#### ST. JOSEPH'S COLLEGE

Conducted by the Christian Brothers.

DELAWARE AVENUE AND CHURCH STREET.

Carc is taken that every branch prescribed be carefully studied, and that nothing be learned merely by rote. With this view, the students discuss the subject-matter of each lesson in class, independently of the text-book. They fitts accumulate ideas instead of mere words digest what they hearn, and acquire thoughtfulness, self-reliance and facility of expression.

#### ST. JOSEPH'S COLLEGE

Conducted by the Christian Brothers.

DELAWARE AVENUE AND CHURCH STREET.

Cars is taken that every branch prescribed he carefully studied, and that mothing be learned morely by rote. With this view, the students discuss the subject-matter of such lesson is class, independently of the text-book. Tary thus accumulate ideas instead of mere words, digest what they learn, and acquire thoughtfulness, self-relinance and facility of expression.

#### ST. JOSEPH'S COLLEGE

Conducted by the Christian Brothers. INCORPORATED WITH MANHATTAN COLLEGE, NEW YORK. SCIENTIFIC DEPARTMENT,

In this department the students pursue the study of philosophy and of the English language and liferators, as in the classical department. They pay special atten-tion to the higher mathematics and the natural sciences. Facilities are afforded them for practical work in the laboratory. Those who complete this course receive the degree of Bachelor of Science.

### ST. JOSEPH'S COLLEGE

Conducted by the Christian Brothers.

DELAWARE AVENUE AND CHURCH STREET.

Care is taken that every branch prescribed be carefully studied, and that nothing be learned sacrely by rote. With this view, the students discuss the subject-matter of ceach isseen in class, independently of the fext-book. They thus accumulate ideas instead of mere words, digest what they izarn, and acquire thoughtfulness, self-reliance and facility of expression.

# ST. JOSEPH'S COLLEGE

Conducted by the Christian Brothers.

DELAWARE AVENUE AND CHURCH STREET.

Care is taken that every branch prescribed be carefully studied, and that nothing be learned morely by rote. With this view the students discuss the subject-matter of each lesson in class, independently of the text-book. They thus accumulate ideas instead of mere words, discost what they bear, and acquire thoughtfulness, self-rullance and facility of expression.

#### LEGAL RATES OF FARE.

For conveying one passenger any distance not exceeding one mile, fifty cents; and for each additional passenger, twenty five cents.

For over one mile and not exceeding two miles, fifty cents.
For over two miles, one dollar.

Children between eight and twelve years of age, half the above price only; under eight no charge to be made.

For vehicle by the hour, for one or more, one dollar and fifty cents for every hour, with privilege of stopping as often as required. If by the hour, must be so specified at time of engagement; otherwise deemed to be by the mile, to be measured by the most direct trav-

eled route. For the use of such vehicle by the day for one or more passengers, eight dollars.
